18 MOTION TO UNSEAL

19

20 The United States of America, by and through Annette L. Hayes, United States  
21 Attorney for the Western District of Washington, and Siddharth Velamoor, Assistant  
22 United States Attorney for said District, files this Motion to Unseal in this matter.

23

24 At the government's request, the Search Warrants, application for Search  
25 Warrants, and supporting materials in this matter were sealed until two weeks following  
26 the closure of the investigation. Although the investigation remains open, one of the  
27 targets of the investigation has now been charged, under cause number *United States v.*  
*Samal*, CR18-214JLR. The application for search warrants also describes to other targets  
28 of the investigation, one of whom has pleaded guilty under the cause *United States v.*  
*Tomaszewski*, CR18-213JLR, and the other has been aware of his status in the  
investigation. The target and others involved in the investigation are therefore now aware  
of the investigation, and the Government otherwise has no continuing need for the  
materials to remain under seal.
